

Shariful Hasan Roky

Digital Marketing Specialist

With 4 years of proven experience, I specialize in performance marketing and cost-effective paid advertising. My skill set covers web analytics, conversion tracking, search engine marketing, and social media marketing, allowing me to build data-driven funnels that convert consistently. I've become highly efficient in identifying and acquiring high-value customers through Google Ads and Facebook Ads, making me a strong asset for businesses focused on measurable growth and ROI.
